

# SENSORY SUPPORT BAGS

Family Hubs are for everyone. But some SEND children, young people and their families find visiting overwhelming. Our Sensory Support Bags include resources that provide entertainment, stimulation and support.

The bags are available to borrow from behind the desk. Just ask our very friendly and helpful desk staff for a Sensory Support Bag and they will be able to help you. They are on a first come first served basis.

Inside the bag you will find:

- Ear defenders
- Wooden two sided mirror
- Rubber vehicle
- Rainbow fidget slug
- Weighted lap buddy and blanket
- My feelings rainbow
- Palm tangle fidget toy
- Weighted sequin fidget

**Please remember the Sensory Support Bag will need to be returned to the front desk at the end of your visit. Your child will be given a sticker when the bag has been returned.**
