

# DFN Project SEARCH – Moorfields Eye Hospital: Online information session November the 13<sup>th</sup> from 5pm – 6pm

## Ready for a New Challenge?

Join us for our first information session of the year and learn more about the DFN Project SEARCH programme at Moorfields Eye Hospital! This is your chance to discover how you can become part of a world-renowned team dedicated to excellence in eye care.

### **What to Expect:**

A deeper look into the DFN Project SEARCH programme: This is a one-year, full-time supported internship programme for young adults with a learning disability or autism spectrum condition. You'll learn about the structure, which includes a combination of classroom-based learning and hands-on work experience within the hospital.

Hands-on experience: Discover how you'll get real-world, on-the-job training through three different department rotations within Moorfields Eye Hospital. You'll gain valuable, transferable skills while being supported every step of the way.

Dedicated support: Learn about the team of professionals, including an on-site teacher and a job coach, who will be there to help you develop employability skills, build your confidence, and prepare for a career.

- Explore the career opportunities available at Moorfields Eye Hospital: See how this programme can lead to meaningful, paid employment.
- Hear from current staff and ask your questions live.

This is an online event, so you can join from the comfort of your home.

Don't miss out on this opportunity to take the next step in your career. We can't wait to meet you!
